

THE WHITE HOUSE
WASHINGTON

June 11, 2002

Dear Mr. Mullen,

Thank you for your March 25th letter which just came to hand. Its delivery was delayed as a result of heightened security at the White House after the anthrax incidents. I will share your letter and materials from David Schippers with others at the White House for review and consideration as we continue to address the issues of abortion, embryonic stem-cell research and human cloning. I appreciate you taking the time to send them to me.

Thanks again.

Sincerely,

A handwritten signature in black ink, appearing to read 'Karl Rove', written in a cursive style.
